**OLD BUSINESS:**

5. **SUP-08-03: Request for Special Use Permit for Storage of Combustible/Flammable Liquids (Above Ground) Greater than 2,000 Gallons Aggregate but less than 100,000 Gallons Aggregate (Propane Storage).** The property of Harold W. Campbell and Kennan Hill is located on the south side of Oakhurst Drive approximately 700 feet east of U.S. Highway 220 Business South (at the point where the northern portion of Oakhurst Road intersections with U.S. Highway 220 Business South). This property totals approximately 13,470 square feet. Randolph County Parcel Identification Number 7659666105 more specifically identifies the property.

Mayor Jarrell opened the public hearing on the following request.

Mr. Neely presented a written request from the Applicant to continue the above-referenced item to the Council's next regular meeting in August.

Based upon a recommendation from the Planning Department Staff, and upon motion by Mr. Priest and seconded by Mr. Crisco, Council voted unanimously to continue the above-referenced item to the next regular meeting that is to be held on August 7, 2008. The motion to continue that was adopted by the Council included notice to the Applicant that this case will not be continued again. If the case is not heard on August 7, 2008 due to the actions or omissions of the Applicant, the case will be deemed withdrawn. At that point, the Applicant, if the matter is to be brought back to the Council, must pay a second filing fee for an application for a Special Use Permit in order to offset the city's cost to re-advertise the case.

6. **Consideration of the first reading of an ordinance renewing the taxicab franchise awarded to Asheboro Taxi Service.**

The above-referenced item was withdrawn by staff. Mr. Sugg reported that the Applicant, Mr. Tony Hafez of Asheboro Taxi Service has not submitted the appropriate application to renew the taxicab franchise awarded to Asheboro Taxi Service on July 5, 2007. Notice was sent to Mr. Hafez on July 9, 2008 confirming that the existing certificate of convenience and necessity issued to Asheboro Taxi Service expires on July 12, 2008 and no person would be authorized to operate a taxicab upon and over the streets of the City of Asheboro once this franchise lapsed.

**7. Consideration of an ordinance requested by Moffitts, Inc. to annex 124.377 acres along the north side of Old Humble Mill Road into the City of Asheboro as a satellite annexation.**

Mr. Sugg noted that due to a conflict of interest, Mr. Moffitt had previously requested to be excused from any discussion and action regarding the above-referenced item. A separate conflict of interest has previously been disclosed by Mr. Moffitt in connection with land use case number CUP-08-28 (Agenda Item Number 8(c)). Consequently, a motion was made by Mr. Priest and seconded by Mr. Burks to excuse Mr. Moffitt from any discussion and voting in regards to these two (2) separate agenda items. Council Members Baker Burks, Carter, Crisco, Priest, and Smith unanimously adopted this motion.

Mr. Sugg reported that city staff received a written request from Moffitts, Inc. to continue the requested satellite annexation of the 124.377 acres of land located along the north side of Old Humble Mill Road to the Council's regular August meeting. Additionally, staff recommended the continuation of Agenda Item Number 11 (Consideration of a proposed contract with the East Side Volunteer Fire Protection Association, Inc. for the provision of fire protection services) since the necessity of this contract is contingent upon the approval of the requested annexation.

Upon motion by Mr. Burks and seconded by Mr. Crisco, Council voted unanimously to continue the requested satellite annexation and Agenda Item Number 11 to the Council's next regular meeting on August 7, 2008.

**NEW BUSINESS:**

**8. Land Use Issues:**

- (a) RZ-08-26: Request to rezone from RA6 (High-Density Residential) to OA6 (Office-Apartment). The property is located at 405 City View Street, 369 Ross Street, and 403 Ross Street. Randolph County Parcel Identification Numbers 7751657167, 7751646996, 7751656026, and 7751657066 more specifically identify this property which is owned by Mary Cooper, Richard Cooper, Malcom and Wanda Voncannon (Precision Housing, LLC) Wanda Voncannon (Abraham Investments, LLC) and Alton Lee Lennon.

Mayor Jarrell opened the public hearing on the following request.

Mr. Neely presented the staff's analysis of the request to rezone the above-referenced property from RA-6 High Density Residential to OA-6 Office-Apartment.

The Planning Department Staff recommended denial of the requested rezoning in that the Land Development Plan Map does not support the requested rezoning, while the Planning Board recommended approval. According to the written staff report, the Planning Board "felt that with the close proximity of the property to non-residential uses, the OA-6 designation would be appropriate."

Mr. Lee Lennon and Ms. Wanda Voncannon presented comments in support of the requested rezoning.

Mr. Jimmy Vuncannon, a neighboring property owner, presented comments and concerns in opposition to the requested rezoning. Mr. Vuncannon was concerned that more apartments in the area would negatively impact the neighborhood.

There being no further comments nor opposition from the public, Mayor Jarrell closed the public hearing.

Upon motion by Ms. Carter and seconded by Mr. Burks, Council voted unanimously to accept the recommendation of the Planning Board and placed the above-described property in an OA-6 Office-Apartment zoning district.

- (b) RZ-08-27: Request to rezone from R10 (Medium Density Residential) to RA6 (High Density Residential). The property of Darren Lucas is located on the east side of Eastview Road approximately 720 feet north of East Pritchard Street and along the west side of Meadowbrook Road approximately 800 feet north of East Pritchard Street and consists of approximately 6.513 acres of land. Randolph County Parcel Identification Numbers 7761171599, 7761174800, 7761170956, and 7761180011 more specifically identify the properties included in this zoning lot.

Mayor Jarrell opened the public hearing on the following request.

Mr. Neely presented the staff's analysis of the request by Darren Lucas to rezone the above-referenced property from R-10 Medium Density Residential to RA-6 High Density Residential.

The Planning Department Staff and the Planning Board recommended denial of the request based on the following:

“The property is designated by the land development plan for neighborhood residential use. The neighborhood residential designation emphasizes the accommodation of existing residential neighborhoods of similar density while limiting multi-family residential use. The lack of high-density multi-family residential zoning in the immediate area along with the land development plan’s neighborhood residential designation makes the request incompatible with the map and several of the goals and policies of the land development plan.

Considering these factors, staff concludes that the current zoning district is appropriate for the subject properties and allows a reasonable use of the properties by permitting either single or two-family development.”

Mr. Darren Lucas presented comments in support of the requested rezoning.

Ms. Pam Vuncannon, Mr. Mike O’Kelley, and Mr. Ray Vuncannon presented comments and concerns in opposition to the requested rezoning. These individuals were concerned that the possible increase in traffic along Meadowbrook Road would create more traffic accidents in the area.

There being no further comments nor opposition from the public, Mayor Jarrell closed the public hearing.

Upon motion by Mr. Crisco and seconded by Mr. Baker, Council, by a 6 to 1 vote, voted to accept the recommendation of the Planning Board and denied the requested rezoning. Council Members Baker, Burks, Carter, Crisco, Moffitt, and Smith voted in favor of the motion. Council Member Priest voted no.

- (c) CUP-08-28: Request for Conditional Use Permit for Multi-family development with a Floor Area Ratio of up to 22 percent. The property of Debi B. Setzer and Randall Burrows is located at the terminus of Oak Leaf Road approximately 600 feet south of N.C. Highway 49 and consists of approximately 24.3 acres of land. Randolph County Parcel Identification Number 7740936604 more specifically identifies the property.

Mayor Jarrell opened the public hearing on the following request.

**[Due to a conflict of interest, the Council previously unanimously adopted a motion during Agenda Item Number 7 to excuse Mr. Moffitt from participating in any discussion and voting on this item.]**

Mr. Neely was sworn in and presented the staff’s analysis of the Applicant’s request, including the submitted site plan. The Applicant, West Pointe Luxury Apartments, LLC requested a Conditional Use Permit for Multi-Family Dwellings with a Floor Area Ratio of up to 22 percent.

On behalf of the Applicant, Mr. Jonathan Megerian, Esq. was sworn in and addressed the four standard tests by providing direct testimony and by calling witnesses to provide testimony to the Council.

Mr. Ben Ramsey, a certified real estate appraiser, was sworn in and presented testimony regarding the impact of the proposed land use on the value of the surrounding residential properties. In Mr. Ramsey’s professional opinion, the requested permit would not have a negative impact on property values in the impacted area.

Ms. Debi Setzer and Mr. Larry McKenzie, the developer, were sworn in and provided testimony pertaining to the manner in which the proposed land use is to be developed.

Mr. Hal Winslow, a neighboring property owner, was sworn in and presented comments in opposition to the requested conditional use permit. Mr. Winslow was concerned that the proposed use would negatively impact his neighborhood and cross-examined Mr. Ramsey about the methodology used by the real estate appraiser to form his professional opinion. Mr. Roger Yates, a neighboring property owner, was also sworn in and posed certain questions in regards to the required buffers for the proposed use of the property in question. Ultimately, Mr. Winslow, Mr. Yates, and Mr. McKenzie provided interactive testimony that aided the Council in determining the type of buffering that the parties thought was necessary and practical.

There being no further comments nor opposition from the public, Mayor Jarrell closed the public hearing.

Upon motion by Mr. Priest and seconded by Ms. Carter, Council voted unanimously to approve the requested Conditional Use Permit. The issuance of the Conditional Use Permit was based on the four standard tests being met.

The formal findings of fact, conclusions of law, and order granting the Conditional Use Permit will be entered by the Council during regular session on August 7, 2008. This order will reflect certain conditions imposed upon this permit as a consequence of the testimony presented during the hearing of this matter.

**[During the hearing of CUP-08-28, the Council recessed for a short break. When the Council members returned from recess, Council Member Crisco did not return. No motion was made to excuse Mr. Crisco from participating in discussion or voting upon the remaining agenda items.]**

**9. Public Comment Period.**

There being no comments from the public, Mayor Jarrell closed the public comment period.

**10. Consideration of amendments to the schedule of user fees established by the Parks and Recreation Department.**

Mr. Hughes presented and recommended adoption, by reference, of certain changes in the Parks and Recreation User Fees.

Upon motion by Mr. Smith and seconded by Ms. Carter, Council voted unanimously to adopt, effective immediately, the following user fees by reference.
