#### **Veterans' Day Recap**

November 10th through 12th, the baseball field at South Asheboro Middle School were transformed into a Field of Honor with 700 U.S. flags posted in perfect rows and columns in tribute of Heroes. The Asheboro Rotary Club and the Asheboro/Randolph Chamber of Commerce during Veterans Day weekend presented the panorama of Stars and Stripes. The public was invited to visit the Field of Honor display and walk amid the flags tagged with the names of both the sponsor and the Hero to whom it was dedicated.

### **2018 Asheboro Family Christmas Tree Project**

Can you believe that Christmas is right around the corner? Unfortunately for some of our employees, Christmas may not be as joyful as it could be. It doesn't take much to cause hardship for a family - the loss of a spouse's job, medical problems, family issues and more. We are so fortunate to have co-workers that really care and want to help.

In order to ensure our co-workers enjoy the holiday season, we will again offer assistance through the Asheboro Family Christmas Tree Project. To those of you who are willing to help, we sincerely thank you! Beginning Monday, November 19, ornament tags will be ready to be picked up from Human Resources. Each ornament tag will have a number representing a gift request. The deadline to return gifts will be Tuesday, December 18th.

Let's make this a wonderful Christmas for our co-workers in need! You don't know....it could be the person you work beside every day.
