

## **REQUEST FOR STATEMENT OF QUALIFICATIONS TO SERVE AS ENGINEERING CONSULTANT**

The City of Asheboro intends to select a single engineering consultant for the **Sanitary Sewer Lift Station No. 3 Improvements Project** based on the qualification packages received in response to this Request for Qualifications (RFQ).

Copies of the RFQ packet may be obtained from the Water Resources Director at City Hall, 146 N Church St, Asheboro, NC 27203, (336) 626-1201, Ext. 258 Monday – Friday between 8:00 AM and 4:30 PM or on the City of Asheboro Website <https://www.ci.asheboro.nc.us> .

The primary objective of this project is to build a new triplex sanitary sewer lift station to replace Lift Station No. 3 at a new location downstream. The scope of this project includes construction of 7,800 linear feet of 12” gravity sewer line with parallel 7,800 linear feet 12” force main from the existing station to the new location. 8,700 feet of existing 10” force main will be replaced with 12” force main.

**Responses to this RFQ must be received by 2:00 p.m. on February 21, 2019.** The City is not responsible for any costs incurred in connection with responding to this RFQ and is not responsible for any failure of delivery of one or more required documents to the Water Resources Director at the required time and place.

Pursuant to Section 143-64.31 of the General Statutes of North Carolina, the City of Asheboro will negotiate a contract for professional design services with the firm deemed in the sole and exclusive judgment of the City to be the firm best qualified for this project that can enter into a contract with terms and conditions acceptable to the City. The City intends to make a selection within three weeks of receiving the responses to this RFQ, and expects to complete final scoping and contract negotiation in April 2019.

The City of Asheboro reserves the right to reject any and all responses to this RFQ and to waive irregularities in any statement of qualifications. All submittals will become the property of the City. Firms are hereby notified that contact with City staff or officials other than the Water Resources Director for the purpose of submitting questions or seeking clarification of the RFQ materials is prohibited and may be grounds for disqualification from consideration.
